

## Morgan Hill After School Music Program

Welcome,  
We hope to encourage your child's participation in the joy of instrumental music.  
The Live Oak Band Boosters in concert with the Sobrato Boosters will be administrating the program.

Here are the details. Please do not hesitate to contact us for further details.

**Place:** Britton Middle School Band Room

**Fees:** \$100 for 3 months. We ask for payment in advance in 3-month blocks.

**Other Costs:** Instrument rentals. We are working with the Music Tree (Morgan Hill) and Music Village (San Jose) to get the best rental deals for our students.

**Financial Assistance:** The Boosters will offer financial support for students and families based on need. No student will be turned away due to financial concerns. Please contact us for further information.

**Start Date:** January 5, 2009

**Days:** We plan to offer 1 hr. music instruction per day, Monday - Thursday. We ask a student to attend a minimum of 2 days per week but can attend all 4 at no extra charge.

**Time of the Day:** 3:45pm – 4:45 pm. We want to have this soon after school so as to not interfere with later activities like Dinner and Homework. Still under review.

**Instrument Selection:** I have to leave that to the professionals. The program is oriented towards band instruments - Brass, Low Brass, Woodwind, & Percussion. We will have instruments to tryout but a trip to the Music Tree or Music Village may help.

**MHUSD:** This program is offered by the Live Oak Band Boosters but is approved / sanctioned by the School District.

### Music Program Objectives:

- Students will be able to move into “elective music” in 7th - 12th grades. We would like to help the musicians of the future better enjoy their music experience through providing a foundation at the Elementary level.
- Provide instrumental instruction for 5<sup>th</sup> and 6<sup>th</sup> grade students in Brass, Woodwind, and Percussion.
- Beginning players will have an opportunity to learn an instrument and advanced students to improve their skills.
- These classes will enable students to join Middle & High School Music programs with confidence and pertinent skills.
